PDF	Compression, xref, metadata, link annotations

Project repository

The rectangle below contains a real PDF URI annotation. Open the generated PDF and click the label.

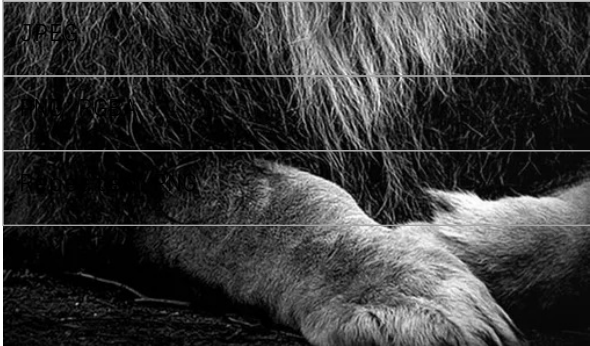

Vector graphics

Images, Alpha, And Deduplication

This page embeds one JPEG and reuses the same RGBA PNG twice. The PNG alpha channel is represented with a PDF soft mask.

Asset	Behavior	
		Embedded directly with /DCTDecode
		Embedded with /FlateDecode and /SMask
		Deduplicated through the image registry

Flow paragraph 85: Información con acentos, símbolos € © ™ – Greek Ω – Cyrillic Привет. This text demonstrates automatic page breaks.

Flow paragraph 86: Información con acentos, símbolos € © ™ – Greek Ω – Cyrillic Привет. This text demonstrates automatic page breaks.

Flow paragraph 87: Información con acentos, símbolos € © ™ – Greek Ω – Cyrillic Привет. This text demonstrates automatic page breaks.
